We have also just recently introduced our “live” internet web tracking feature, which allows you to check the status of your shipments **24** hours a day, **7** days a week. Our System allows you to print invoices, check duty rates, and even print out your own delivery orders. Our customers are “raving” about our new system.

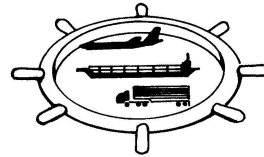

What we can do for you:

Marine Air Land International Services will submit your entry to U.S. Customs via our unique paperless customs entry system. Your shipments will clear in hours and not days, much faster than our competition.
